2013	Start of the Obama Administration
2017	End of the Obama Administration
2021	Start of the Biden Administration

The history of the United States is a story of growth and change. From the first settlement of the colonies to the present time, the United States has grown from a small group of colonies to a large, powerful nation. The history of the United States is a story of the struggles of the people to create a better life for themselves. The history of the United States is a story of the triumphs of the people over adversity. The history of the United States is a story of the progress of the people towards a more perfect union.
